

GENERAL PROCUREMENT NOTICE RELATED TO THE COMPACT PROCUREMENT PLAN N°20 AMENDMENT N°1

The Government of Benin acting through its representative - MCA-Benin II, has received grant funding amounting to Three Hundred Ninety-one Million United States Dollars (US \$391,000,000) from the Millennium Challenge Corporation (“MCC”), an agency of the United States Government, to enable MCA-Benin II to implement the MCC Compact (the “Program”) and achieve its objectives. In the framework of this Program, it intends to apply part of the proceeds of the funds to payments for contracts for goods, works and services. The Government of Benin’s contribution to the Program is Thirty Million Four Hundred and Forty-Five Thousand United States Dollars (US \$30,445,000).

MCC’s funding is appropriated by the U.S. Congress and obligated to the Compact up-front, with no incremental or partial funding. So, when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Contractors/Consultants/Suppliers by the US Treasury.

This amendment n°1 to the Procurement Plan N°20 that follows the Compact’s entry into force on June 22, 2017 covers the period from April 1st 2023 to June 22nd 2023. The activities that comprise the plan include the following:
